VOLUME XLV. : : : NUMBER 23.

IRONTON, MISSOURI.  
THURSDAY, NOVEMBER 16, 1911.

### LOCAL BREVITIES.

Hunters are numerous.  
Probate court is in session.  
Thanksgiving soon be here.  
Quite a number of hunters left town this week.

Teachers' Meeting at Bellevue next Saturday evening.

High School entertainment, Academy of Music, November 24th.

The wood hauler promises to be a pretty busy man the next few months.

Lopez's are offering unusual inducements in price reductions in millinery.

Wind, such as we had all day last Saturday, is very unusual in this section.

A fine new stock of men's and boy's hats and caps just received at Lopez Store Co.

Lost—A black collie dog with white points. Liberal reward for his return to this office.

County court adjourned last Friday evening. The proceedings are published elsewhere.

Will trade good milk cow and fine Jersey heifer calf for cord wood. A. A. JACOBS, Arcadia.

County Superintendent Burnham announces a teachers' meeting in Ironton on December 9th.

Contractor McCarty expects to complete the concrete work on the dam in the Shut-In next Saturday.

Absolutely free!—A beautiful set of 1,000 pieces of imported chinaware given away at Brown's store. Ask for particulars.

The wind storm Saturday blew down a flue on the Presbyterian church and another on the George Gay residence in west Ironton.

M. Nichols, who has been conducting a grocery store in the brick building, south of the square, removed to St. Louis Tuesday.

Lost—A Meerscham Pipe in a case, on the road between Ironton and Roselle. Finder will please return to this office and receive reward.

The chilling blasts of Sunday and Monday, immediately following the unusually warm weather of the few days previous, were cold, mighty cold.

Star of the West Lodge, No. 133, A. F. & A. M., will hold a called meeting Friday evening, 17th, to confer degrees. A full attendance is desired.

50 cents each, finest Single Comb White Leghorns, Pullets ready to lay. Also fine Collie pup cheap. A. J. MICHEL, "The Maples," Arcadia.

A force of twenty-five men and eight or ten teams will be put to work next Monday building the new road through the Shut-In. Mr. Whitener will be in charge.

W. H. Kaths of Pilot Knob is now employed in the mail service at St. Louis, having been transferred from Little Rock, where he has been engaged for a year or more.

Wanted—Twenty men to work on the new road in the Shut-In. Work to begin next Monday. Apply to H. S. Whitener on the road, or to the Sanitarium in south Ironton.

Rev. John T. Self, pastor at Fort Hill, had a pretty hard fall from his bicycle on the bridge between here and Arcadia Tuesday evening. Mr. Self's head and face were badly skinned and bruised.

The bridge across Knob creek, on the road to Arcadia Heights, will be built at once. The cost will be about \$350. Half of the amount was raised by subscription and the other half furnished by the county.

What is known as the Moon residence, near the Lutheran church in Pilot Knob, burned down Tuesday night about ten o'clock. The house was occupied by Chas. Myers. A defective flue was the cause of the fire.

The Centerville Outlook last week said that but nineteen hunters' licenses had thus far been issued in Reynolds county this year. Evidently, there are a good many people hunting in Reynolds county without license.

Mr. H. C. Hendly, of St. Louis, who sometime since bought the Pease place, near the Pilot Knob dam, is setting out 4,000 fruit trees this fall. Mr. Hendly expects to have a fine apple and peach orchard in a few years.

Mrs. F. P. Reese, Mr. and Mrs. Less Dunn and four children, spent the first of this week with relatives and friends at their former home in Annapolis, Iron county, returning here Wednesday afternoon.—Desloge Sun.

A new Mayor arrived in Ironton at the home of Mr. and Mrs. Robert A. Rasche, early last Saturday morning. A 11-pound boy, on the 11th day of the 11th month in the year 1911. Here's congratulations and best wishes to all.

Mr. L. E. Toler last Thursday tendered his resignation as highway engineer to the county court. The resignation was accepted and Mr. A. V. Polak was appointed to the place. We believe Mr. Polak will make a competent and faithful official.

The handsome sign in the valley now adorns the front door of the REGISTER office. It is the handiwork of that skilled and unexcelled sign-writer, Mr. Chas. J. Newman. It is what we term a mighty pretty and tasty piece of work and clearly shows the hand of an artist.

In the Presbyterian church this week, Rev. J. T. Mitchell, of De Soto, has been preaching with great acceptance. On Monday morning he took part in chapel exercises and addressed the pupils at the High School. The services will be continued every evening this week except Saturday, at 7:30. All are invited.

Mrs. Kenetta Sargent Haskell, reader and impersonator, will be at the Academy of Music, November 24th, under the auspices of the Ironton High School. Reserved seats, 50 cents; general admission, 35 cents. Mrs. Haskell has long been a favorite with the public and is generally acknowledged to be a leader in her class of entertaining.

Mr. A. H. Reyburn, of Seattle, Washington, has been in Ironton the past week, the guest of his nephew, County Clerk Reyburn. Mr. Reyburn left this part of the country twenty-one years ago for Washington and has seen Seattle grow from 40,000 to about 280,000 inhabitants. He will spend two or three months in Iron and Washington counties before returning west.

Recorder Hawkins Tuesday issued a marriage license to W. D. Fletcher, of Arcadia, and Ada Barger, of Ironton. Mr. Fletcher and Miss Barger departed this (Wednesday) morning for St. Louis, where, we understand, they will be united in marriage to-day. The REGISTER wishes Mr. Fletcher and his bride, who is one of the sweetest girls in the valley, every happiness!

Died—At the home of John M. Stricklin, Ironton, Mo., Monday, November 13, 1911, Mrs. Frances Ellen Johnson, nee Stricklin, beloved wife of Edward Johnson, aged twenty-seven years, two months and ten days. The funeral occurred Tuesday afternoon and interment was made in the K. P. cemetery. The bereaved husband and other relatives have the sympathy of many friends in their sorrow.

The presence of every member of the Fort Hill Methodist church is especially desired next Sunday, at 11 A. M. Every officer and teacher of the Sunday School is expected to be present as the consideration of some forward steps in your line will have special notice in the service. All others are invited to attend our services when it is convenient to do so. You will be welcome and your presence will be appreciated.

JOHN T. SELF.

Samuel Matson, of Northfield, Vermont, came to Middlebrook a couple of weeks ago and removed the remains of his brother and the latter's child from the cemetery there back to Vermont. In 1894 George Matson, who was employed at the granite quarries, died and the remains were interred in the Middlebrook cemetery. The family afterwards went to Vermont and now, after seventeen years, the corpse has been transferred to the east.

Earl Meyers, nine years old, son of W. H. Meyers, 4026 Arsenal street, St. Louis, was run down and killed by a wagon loaded with brick, driven by a negro driver, last Thursday about noon as the little fellow was on his way home from school. The negro, when he saw what he had done, hurried away, and has not since been apprehended. The boy visited in Ironton a few years ago, his father being a nephew of H. W. Adolph, of Ironton.

Rev. Sikes, of the Free Will Baptist church, was arrested this week by Sheriff Chapman, on a warrant sworn to by Deputy Game Warden Casey, charging him with hunting without a license; Mr. Casey found him hunting out by the Catherine mine without the necessary papers. His bond was fixed at \$100, which he gave and the case will come up at the next term of the circuit court. Clyde Thomas was also arrested this week by the sheriff on the same charge; he also gave bond.—Fredericktown Democrat-News.

Through the continued efforts of his mother, who worked incessantly in his behalf, Clark Stringer was pardoned by Governor Hadley last week and has been spending a part of this week in Flat River with his mother, Mrs. R. E. Stringer. Young Stringer and his mother will remove to Fulton, Mo., where he has a job as machinist. He was sentenced to a term of 2 years from Iron county on a charge of highway robbery. His participation in the crime was not conclusively shown though he was with the man who committed the hold-up.—Lead Belt News.

On last Sunday evening Alfred Radford and two of his sons, Milt and Eliza, living some seven miles northwest of this place, got into a difficulty which resulted in Eliza shooting his father in the left hand inflicting a painful wound. We do not know the facts, but it is reported that the old gentleman fired at "Lige" first and had the gun to his face for a second shot, when "Lige" fired, the ball from his gun striking the old gentleman in the left hand and tearing the fore-arm of his gun nearly off. So far no complaint has been made to the authorities and consequently there have been no arrests.—Centerville Outlook.

The thriving burg in the south end of the county, Des Arc, mourns the loss of its broom-maker, one Fred Gintz. One

morning, some few weeks since, Gintz was missed. An investigation revealed that the night before Gintz had hauled some stuff to the Gad's Hill station and there shipped it away. Next morning he boarded an early train without saying good bye to anyone. A number of creditors mourn his departure. Gintz has been making brooms in the Des Arc country for some three years past and seemed to be doing a prosperous business. He came to Des Arc from Crawford county. It is thought he has gone to Chicago. His mill and other property he left behind him is mortgaged.

The Audit and Bond Company, a concern that audited the books of several of the officials of Howell county and found them "short," must defend a damage suit brought in Barry county. The county collector of Barry county has sued the company for \$20,000, claiming that the company, after examining his books, claimed he was short in his accounts, when such is not the case. The Barry county collector claims that the report was false and that it was published for the purpose of injuring him. When this company made a report and found several Howell county officials "short," the county court paid \$100 for the report and the matter was ended. The auditing company made several efforts to get the county to bring suit against the officials reported to be short, but nothing has ever been done in this county in the matter.—West Plains Gazette.

A terrific wind storm raged all day last Saturday and far into the night. In fact, it was a regular prairie sweeper—such as is seldom encountered in this part of the country. It was a continued and stirring gale for twelve hours or more. Notwithstanding the wind the day was unusually warm, the thermometer registering 76 degrees in the afternoon. Pretty warm that: 76 degrees November 11th. Shortly after night fall there was promise of a great change in temperature. First there came thunder, lightning and rain, then sleet and the snow. Next morning there was a light coating of the "beautiful" on the ground and the thermometer was down to 10 degrees. A change of 66 degrees in about twelve hours. That's some change, too. Sunday and Monday were cold, but milder weather came Tuesday. The storm was general throughout the country and great suffering and loss of life resulted.

I went down to the Shut-In last Friday and with pleasure saw the near completion of the dam which is to give us the one crying want of the Valley as a summer resort—a lake. I found the laborers of the builders approaching their end; that in another ten days the desired comment, "Finished!" might be uttered. This is gratifying, but before the waters may be pent and confined the road leading thereto must be reconstructed, for when the lake becomes a fact it will submerge a part of the present thoroughfare. To this end the management will lend its energies during the winter, and Mr. Whitener himself taking charge, the work will be vigorously prosecuted. The lake is now virtually an accomplished fact, but the funds necessary to the construction of the road are in part yet to be secured. It is expected these will be secured by the sale of memberships to the Club, and the REGISTER hopes and believes local assistance will not be found lacking. The enterprise is most commendable and ought to receive the support of all.

### PERSONAL.

R. L. Barger went to St. Louis Tuesday evening.

Miss Ollie Davis is home from a visit to Poplar Bluff.

Mrs. Jos. Madlinger and Miss Louise are in St. Louis this week. Lieutenant and Mrs. Mortimer are guests of Dr. Gay and family.

R. F. Chew of St. Louis county was in Ironton several days last week.

### ARCADIANS, ATTENTION!

There was a meeting held Friday evening, November 10th, in Arcadia, for the purpose of perfecting an organization for the beautifying of Arcadia, and it was unanimously agreed that a general meeting of all the citizens of Arcadia be called November 20th, 1911, in the Arcadia Public School, at 7:30 P. M., to discuss the matter. All are earnestly urged to be present at this meeting, as matters of great importance to every citizen will be taken up. The following persons were present at the preliminary meeting:

Misses N. Ringo and A. Shane, Revs. J. T. Self and John F. Adrian, Messrs. W. J. Lee, H. W. Tapley, I. Kanouse, A. C. Immer, A. A. Jacobs, Chas. Wheelahan, and Louis Miller, Jr.

1,000 piece set of imported china-ware given away, at Brown's absolutely free. Ask for particulars. B. N. BROWN.

Hammond's oleomargarine and creamery butter for sale at Codding's.

### School Notes.

Ironton can now boast of an accredited High School of the second class.

Mrs. Martha Francis attended chapel exercises Monday morning and gave us a very encouraging and helpful talk.

You ought to see the High School team play basketball.

The High School has been fortunate in securing Mrs. Fanetta Sargent Haskell to give a program for the benefit of the library and laboratory, for much needed books and equipment. Mrs. Haskell is known to the writer and many of our patrons who pronounce her the best they have heard; she is very fine. In addition to Mrs. Haskell's Reading the male quartette of the W. R. C. will sing. The entertainment will be given in the Opera House, November 24th, 1911. Pupils are selling tickets. Get one now, while you can secure a good seat. You will be helping the High School, too.

Our teachers are to meet every two weeks to study and discuss professional and educational subjects and keep in touch with progress along this line. Our next meeting will be November 25th. We invite other teachers to our meetings.

The High School basketball team played its first out of town game with Flat River High School Saturday. Although there were some difficulties in getting to Flat River and the score stood 17 to 6 against us, the team is delighted with the trip and especially with the manner in which the Flat River boys and girls entertained them. After the game they were served a lunch at the Domestic Science Building by the basketball girls. After the lunch, consisting of sandwiches, cocoa and cake, all got acquainted and played games. The boys say they want to go to Flat River again.

Young men who are interested in the newest and noblest styles will find all their hearts could wish for at Lopez's.

### Des Arc Items.

We are having winter in good shape.

The Holiness people are holding a revival here.

Rev. Duncan filled his regular appointment here Sunday.

Orders for lumber are better. Quite an order is out for switch ties and car material, with an advance of 50 cents on the thousand.

Quite a lot of pork is coming in at the stores, which knocks out the St. Louis meat market. I visited three towns last week and never sold a pound of meat. All had pork on hand.

Corn is selling here for 65 cents a bushel in the shock, and it can be bought on the river for 50 cents per bushel.

The handle factories all have orders.

J. W. Stevenson will start his broom factory this week. He was in the city last week and bought broom corn and handles.

Mr. and Mrs. Walter Parker are visiting at the home of the latter's father, Judge Stevenson.

E. W. Graves and wife were in St. Louis last week.

Mrs. Eustie is spending this week with her daughter at Hendrickson.

J. W. Stevenson was in St. Louis last week.

Mrs. Gussie Pete, of Patterson, was the guest of friends here last week.

Mrs. Wm. Loyd and children have returned to their home at Sulphur Springs.

Miss Etta Keathley went to Piedmont Friday.

Miss Myra Midkiff was in town Sunday from Brunot. She is attending school at Piedmont.

Messrs. Tual and Evans spent Sunday with their families in Arcadia.

Woot Keathley went to St. Louis on business last week.

ISAAC.

A man's fleece lined suit of underwear at Brown's for 85 cents.

J. P. Benoist, Broom Maker, Frankley, Mo., will make brooms for 12 1-2 cents, or part of corn. Write him.

### Bellevue News.

Mrs. Wm. Townsend and daughter, Irene, visited near Bismarck last week.

Glen McClurg, of Bismarck, was in this community last week.

Ab Townsend has moved his dwelling out on the hill about three hundred yards from where it formerly stood and is adding some improvements.

Mrs. H. Latham, who recently underwent an operation in St. Louis, is rapidly improving and thinks she will soon be well again.

Sol McColl and wife, of Piedmont, Joe McColl and Miss Sue Muse, of St. Louis, are guests of Mrs. Virginia McColl and family.

A very unique entertainment was given at the Hall last Tuesday evening by the Royal Neighbors. Halloween features were everywhere in evidence. A short program was rendered, after which lunch was served, consisting of cider, pumpkin pie, ginger-bread and coffee. A large crowd attended, including a number of R. N. from Graniteville.

J. M. Logan is no better and much anxiety about his condition is felt by his many friends and relatives.

Mrs. Walter Latham of California, is visiting in the valley.

Andy Reyburn, of Seattle, Washington, is visiting relatives in Caledonia and Bellevue. He reports the finest wheat crop in Washington ever known in that country.

Bellevue valley is no longer a back number, but is coming to the front.

Mr. Henderson, who moved here about a year ago from North Missouri, has erected a nice new dwelling.

C. C. Wilson, who recently moved into the valley and bought a large tract of land a mile southwest of Bellevue, is building an eight-room house. ALPHA.

November 6.

Ironton High School Classified.

The following is the official report of the State Department of Education on inspection of our High School.

JEFFERSON CITY, Nov. 1, 1911.

MR. W. H. DELANO, Sec'y Board of Education, Ironton, Mo.

Dear Sir—I have examined the High School Inspector's report of his visit to your school and under the statute authorizing me to classify High Schools I am listing yours as second class, with approved work as follows:

English, 3 units; Algebra, 2 units; Plane Geom., 1 unit; History, 3 units; Latin, 2 units; Pedagogy, 1 unit; Physical Geography, 1 unit; total, 13 units.

My Inspector noted that you need some history and science reference works as well as some good maps for history, that you needed some apparatus for Physical Geography. However, the superintendent informed the inspector that all of these equipments had been ordered, some of which had arrived and some of which was on the way.

I want to commend you for this excellent showing as made by your school in advancing from an unclassified to an approved High School of the second class. Your superintendent is manifesting superior ability in his organization and certainly needs commending for that.

I hope that in the course of another year or two you may be able to increase your tax levy, which is rather low for the average High School, and thus be enabled to add another teacher and raise the standard of your school to that of a first-class High School.

Yours Truly,  
WM. P. EVANS.

It is only a step from the second class to the first class High School; for us only two more units. Fifteen units are required for first class schools. Let us all pull together and have a first class High School for our children next year.

Very truly,  
B. W. LOOMIS, Prin.
